Dear Registered Agent:

The 1994 Annual Report for the company listed on the enclosed revocation notice is still incomplete. The Annual Report was returned to you and instructions were included with the report stating the requirements to complete the report. To date, the report has not been resubmitted. Thus, the enclosed notice puts the corporation on notice that it will be revoked within sixty (60) days if the report is not completed and returned to the Corporations Division.

To expedite the process of filing, payment of the report filing fee was accepted and deposited. Therefore, no additional fee is required at this time. If you fail to comply within the sixty (60) day notice period, your charter will be revoked. At that time, instructions on how to obtain a refund of the filing fee will be forwarded to you.
