

Figure 1. Schematic representation of the experimental design. The subjects were divided into two groups: the control group and the experimental group. The control group was exposed to the control condition, and the experimental group was exposed to the experimental condition. The control condition was a standard condition, and the experimental condition was a modified condition. The subjects were exposed to the conditions for a period of time, and their responses were recorded. The results were then compared between the two groups.

ID Number: 25753

1. The name of the corporation is PB Americas, Inc.
2. The address of the registered office as PRESENTLY shown in the corporate records on file with the Rhode Island Secretary of State is:

10 Weybosset Street, Providence, Rhode Island 02903

155 South Main Street, Suite 301, Providence, Rhode Island 02903

(a date not prior to, nor more than 30 days after, filing this statement)

Date: 12/2/08

Type or Print Name of Registered Agent

Kenneth J. Uva
