Dear Sir or Madam:

We have recently received notification from David E. Grant, PLS #1683, that he was no longer in responsible for your firm, Outback Engineering, Inc. as of January 8, 2010. Therefore, please be advised that effective of January 8, 2010, you and/or your firm were to cease and desist from the offering to practice or practicing of land surveying in this State unless and until such time that you have reapplied and the Board has granted you an approval to proceed.

Because you do not hold a certificate of authorization to practice land surveying within the State of Rhode Island, please be advised that in the event that this Board should determine that you have practiced or offered to practice land surveying within this State, to include providing proposals for land surveying work, the Board will view this as a willful and intentional violation of Rhode Island law and will take action accordingly.

You will need to amend your purpose at the RI Secretary of State's Office/Corporations Division to **exclude** land surveying **IMMEDIATELY**.

If you have any questions, please feel free to contact the Board's office.

Very truly yours,

Alfred W. DiOrto, PLS  
 Secretary
