Dear Sir/Madam:

Your request for issuance of a Certificate of Authorization has been reviewed and approved, in the **Mechanical** discipline(s) only, by the Board of Registration for Professional Engineers.

You can amend your Certificate of Authorization at a later date if you wish to include other disciplines. In accordance with the procedures adopted by this Board, **you are requested to provide the following information.**

The document requested by the Board is a **CERTIFICATE OF GOOD STANDING**, not Certificate of Authority, issued by the Rhode Island Secretary of State's Office, indicating that at the present time your corporate entity is in good standing insofar as registration procedures required by the Secretary of State's Office. The Board is requesting that the original certificate of such notice be provided within 60 days. **A copy of this letter must accompany your certificate of authority application, along with the required fee for a certificate of good standing, to the Secretary of State's office.**

You can contact the Secretary of State's Office by calling (401) 222-3040. Ask for corporations and explain you need the necessary papers to become registered in the State of Rhode Island.

Please be advised that until receipt of this CERTIFICATE OF GOOD STANDING your application is considered incomplete and you are not authorized to practice engineering in the state of Rhode Island.

As a cautionary reminder, please be advised that until such time that your company holds a certificate of authorization, your firm may not practice or offer to practice engineering within the state of Rhode Island. The offer to practice engineering includes specifically bidding upon projects or responding to requests for proposals for engineering work to be performed with the State of Rhode Island.

Very truly yours,

Board of Registration for Professional Engineers
