

The timeline illustrates the transition from a traditional economy to a knowledge-based one. The 'New' economy, characterized by information and knowledge, is shown as a growing sector that increasingly dominates the economic landscape, while the 'Old' economy, based on manufacturing and services, shows a relative decline or stabilization. The arrows below the timeline suggest a complex interplay and integration between these two economic spheres over the two-decade period.

ID Number: 134216

1. The name of the corporation is The Lewin Group, Inc.

155 South Main Street, Suite 301, Providence, Rhode Island 02903

10 Weybosset Street, Providence, Rhode Island 02903
