Thank you so much, Kathy. I just don't want my home listed as a place of business when it's not true.

Hello,
My name is Elena Chiaradio and I reside at 85 Ashbrook Drive in Cranston, RI. Back in March 2012, my then roommate, Robert J. LaChapelle, developed an LLC:

Comfortable Living, LLC
ID Number: 000788988

He had the business registered at my above address, however, Robert hasn't been living or doing business at 85 Ashbrook since April, yet I still see that "Address Maintained" is still a "Yes" on your website/database. How do we go about getting this fixed as this is clearly a false "location of its principal office"?

Please feel free to call me at _____, or email me to discuss.

Thank you,
Elena
