George:

This letter is to announce my resignation as Vice-President of Delivery Service, Inc. and Vice-President/Secretary of Delivery Service, Corp. due to the termination of my employment by you and Frank Lanza on October 18, 1985, because of incompatibility with the old and new management's handling of the corporation's time and money.

I also ask that you call a corporate meeting as soon as possible to elect new officers and discuss a purchase buyout agreement of my stock.

Sincerely,

Joseph R. Deignan
