(a) The company shall have the authority to guarantee any bonds, securities, or evidences of indebtedness created by; or dividends on; or a certain amount per share in liquidation of the capital stock of any corporation or other entity created by this state or by any other state, country, nation, or government, provided such corporation or other entity is formed for purposes similar to the purposes of this company or is engaged in the same or a substantially similar business or transacts business with this company or is owned or controlled by the same or substantially similar interests; but nothing herein contained shall authorize this company to carry on the business of a surety or indemnity company.

(b) The company shall have the authority to guarantee in any way permitted by law the performance of any of the contracts or other undertakings in which the company may otherwise be or become interested, of any corporation, association, partnership, firm, trustee, syndicate, individual, government, state, municipality, or other political or governmental division or subdivision, domestic or foreign, as may be permitted by law.
