RE: Resignation.

Dear board of directors of Iglesia de Cristo Casa de Jubilo:

This letter serves as my official resignation of the position of president of the board of directors of Iglesia de Cristo Casa de Jubilo - EIN 27443854 that I have been holding since its incorporation.

The main reason of my resignation, is because the place where I reside in New York, is too far from Johnston Rhode Island where the organization operates; and this inconvenience makes it very difficult for me to manage the responsibilities that my position requires.

I am bestowing my position of president to Pastor Ervin Galindo, who also informed me that Sister Sandra M. Gamez residing at 391 Jastram St. Providence RI 02909 will be part of the board of directors immediately after my resignation.

Please be advised that my resignation will be effective immediately upon receiving this letter, which is sent via email as well as certificate mail.

Thanking you for the privilege of serving in such honorable position.

Sincerely,

Pastor Dr. Martin Azurdia.
