Upload a business plan outlining marketing strategy, products, target markets and operating structure the applicant intends to employ as they pertain to the activity being conducted with RI Consumers

The premier debt collection agency on the west coast, North American Recovery, was founded in 1993 by Dave Saxton in Salt Lake City, Utah with a single client and a borrowed computer. North American Recovery was founded on the principles of honesty and integrity. We are guided by the belief that business must be conducted to the highest levels of professionalism.

Throughout the nearly 23 years of business practice, the agency has grown to serve over 5,000 clients, 55 employees and still expanding. By bringing on larger national clients, a need has arisen to be capable of contacting consumers living in all 50 states. The agency will maintain its headquarters in Salt Lake City, Utah and the majority of its clients on the west coast, however, the nature of our new clientele is such that consumers live in all 50 states across the country.

There are no marketing strategies or product sales being utilized or conducted in RI by North American Recovery. The 'target market' is the group of consumers who live in RI that owe debt to our clients based outside of RI. There is no physical operating structure in RI and the only relationship our organization will have with anyone in RI will be through telephone and traditional mail.
