Any repeal or modification of the provision by the corporation shall not adversely affect any right or protection of a Director of the corporation existing prior to such repeal or modification.
 - (B) The Directors of the corporation may include provisions in the corporation's by-laws, or may authorize agreements to be entered into with each Director, officer, employee or other agent of the corporation (an "Indemnified Person"), for the purpose of indemnifying an Indemnified Person in the manner and to the extent permitted by the Act.

In addition to the authority conferred upon the Directors of the corporation by the foregoing paragraph, the Directors of the corporation may include provisions in its by-laws, or may authorize agreements to be entered into with each Indemnified Person, for the purpose of indemnifying such person in the manner and to the extent provided herein:

(i) The by-law provisions or agreements authorized hereby may provide that the corporation shall, subject to the provisions of this Article, pay, on behalf of an Indemnified Person any Loss or Expenses arising from any claim or claims which are made against the Indemnified Person (whether individually or jointly with other Indemnified Persons) by reason of any Covered Act of the Indemnified Person.

(ii) For the purposes of this Article, when used herein:

(1) "Directors" means any or all of the directors of the corporation or those one or more shareholders or other persons who are exercising any powers normally vested in the board of directors;

(2) "Loss" means any amount which an Indemnified Person is legally obligated to pay for any claim for Covered Acts and shall include, without being limited to, damages, settlements, fines, penalties or, with respect to employee benefit plans, excise taxes.

(3) "Expenses" means any expenses incurred in connection with the defense against any claim for Covered Acts, including, without being limited to, legal accounting or investigative fees and expenses or bonds necessary to pursue an appeal of an adverse judgment.
