RE: Rhode Island Medical Women's Association

Dear Ms. Rego:

A Revocation Certificate was issued to the above-named non-profit corporation on July 2, 1996 for failure to file the 1995 Annual Report and maintain a deliverable address for the corporate registered agent.

After researching our files, we have found that you did provide this office with the required change of registered office in 1995 and that the information was not properly entered into our computer because of a data entry error.

Please be advised that the Certificate of Revocation is void and has been cancelled. There has been no lapse in the authority of the corporation to transact business in the State of Rhode Island due to the issuance of this Certificate of Revocation.

Our records have been amended to reflect this cancellation. Thank you for your patience and cooperation in helping us to address this error.

Sincerely,

Sandra M. Williams
Director of Corporations
