RE: Rhode Island Amateur
Hockey Association

Dear Mr. Williams:

Enclosed please find the Annual Report form I have received from the RI Secretary of State's office for the above non-profit corporation.

As you will recall, I contacted you by letter August 18, 1989, in connection with this matter. On September 6, 1989, you informed me that you would be filing this form yourself and that I was not to file same.

Would you please notify the Secretary of State's office when you file this form where the form should be mailed in the future so that I will not longer receive same.

Very truly yours,

Edward P. Manning
