11: The following provisions require a narrative description:

a The ways in which the benefit corporation pursued general public benefit during the year and the extent to which general public benefit was created

Each year, Lederberg Business Law, Inc. ("Lederberg Business Law"), as a Rhode Island benefit corporation, pursues general public benefit, by providing legal services on a no fee and/or reduced fee basis ("legal services"), to certain Rhode Island based social enterprises that generate a general public benefit. By helping these social mission organizations, which themselves collectively have or will assist and impact hundreds and even thousands of individuals on a local, state and regional level, Lederberg Business Law greatly magnifies the impact of its legal services in creating general public benefit. Lederberg Business Law created positive general environmental and societal public benefits by providing legal services to the PeaceLove Foundation, a local 501c3 organization, supporting mental wellness through creative expression, respectively and the Providence Speaking Society, a local 501c3 organization, promoting public awareness of local matters.

b The ways in which the benefit corporation pursued a specific public benefit that the Articles of Incorporation state is the purpose of the benefit corporation and the extent to which that specific public benefit was created:

**Not Applicable.**

c Any circumstances that have hindered the creation by the benefit corporation of general public benefit or specific public benefit:

**None.**

d The process and rationale for selecting or changing the third-party standard used to prepare the benefit report:

Lederberg Business Law used the online Best for Rhode Island platform ("B-RI) to provide third party independent assessment criteria for validating the extent of Lederberg Business Law's general public benefit. B-RI employs well-known standards generated by B-Labs to objectively determine the extent of a benefit corporation's general public benefit impact, using a set of specific, measurable and applicable criteria numerically scored by category and aggregated to reflect an overall score on a grading scale from 0 to 200 (with 0 being the lowest and 200 being the highest)("B-Impact"). When such B Impact is certified by B-RI, a score of 80 or more will qualify as "Certified B Corp".

e Provide an assessment of the overall social and environmental performance of the benefit corporation against a third-party standard, either applied consistently with any application of that standard in prior benefit reports or accompanied by an explanation of the reasons for any inconsistent application or the change to that standard from the one used in the immediately prior report:

The results from the July 2019 B Impact Assessment, performed internally on a pro forma and uncertified basis are as follows by category, with all figures rounded down to the nearest single digit: Governance: 21; Workers: 35; Community: 43; Environment: 13 and Customers: 7: for a total aggregate score of 122 out of a possible 200.

f Name and address of the Benefit Director: *(Required if stock is publicly traded.)*

There is no Benefit Director. None is required because Lederberg Business Law's stock is not publically traded.

k. If during the year covered by this benefit report, a benefit director resigned from or refused to stand for reelection to the position of benefit director, or was removed from the position, and the benefit director furnished the benefit corporation with any written correspondence concerning the circumstances surrounding the resignation, refusal, or removal, the benefit report shall include that correspondence as an exhibit.

12. This report must be executed on behalf of the corporation by an authorized representative. If the corporation is in the hands of a receiver or trustee, this report must be executed on behalf of the corporation by the receiver or trustee.

***Under penalty of perjury, I declare and affirm that I have examined this report, including any accompanying schedules and statements, and that all statements contained herein are true and correct.***
