RE: Incorporation of "Crickets"

Dear Mrs. Farmer:

I recently received a telephone call from attorney Salvatore Butera, Jr., who represents a group of individuals that is forming a corporation for the operation of a restaurant. The proposed name of this restaurant is "Crickets".

I represent a corporation known as "Cricket, Inc.", and am also the registered agent for this corporation. Mr. Butera was informed that his corporation could not be formed without the consent of my corporation to the utilization of the name of "Crickets". Pursuant to a stockholders meeting, "Cricket, Inc." authorizes the use of said name by Mr. Butera and his group.

If I can be of any further assistance in this matter, please do not hesitate to contact me.

Very truly yours,
