- A. Actions by the sharcholders pursuant to Sections 7-1.1-30.3 (a) through (f) inclusive, of the General Laws of Rhode Island, 1956, as amended, are hereby authorized.
- The capital stock of this corporation shall be issued, held, owned and transferred subject to the following terms, conditions and options: (1) Any holder of stock desiring to sell, transfer or otherwise dispose of any of such stock may not sell, transfer or otherwise dispose of the same without first offering to sell the same to this corporation, and if this corporation does not elect to buy the stock so offered, then without, secondly, offering to sell the same to the other stockholders. (2) Offers to sell shall be in writing and shall state the number of shares to be sold and the price at which the holder is willing to sell and the name and address of the proposed transferee if sale or transfer to some particular person is desired. (3) No offer to sell to the other stockholders shall be considered validly given until this corporation has notified the holder of its election to purchase or not to purchase the stock so offered for sale or until the expiration of thirty (30) days after receipt of such offer by this corporation, whichever first occurs. (4) Notice by this corporation or any stockholder of the election to purchase the stock so offered must be given within thirty (30) days after the receipt of the offer to sell, and such notice must specify a date and time within thirty (30) days after the date of such notice and the place where such holder should deliver the stock, duly endorsed for transfer, and receive payment therefor. (5) If more than one of the other stockholders elect to purchase the shares offered for sale, those who so elect to purchase shall purchase and receive a pro-rata proportion of the stock offered for sale based on their respective holdings at the time such offer was made. (6) If the offers are made to this corporation and other stockholders as aforesaid and are not accepted, then the holder desiring to dispose of such stock may, during the twenty (20) days following expiration of said thirty (30) day period of the offer to the other stockholders, sell and transfer all, but not less than all, of the stock so offered for sale, but only at a price equal to or more than the price stated in said offers. Any transfer after expiration of said twenty (20) day period may take place only after again complying with the foregoing provisions hereof. (7) This corporation shall not declare or pay a dividend on any stock retained by any stockholder after tender of the value thereof, as provided above, and such person shall not have the right to a vote nor enjoy any of the privileges of a stockholder. (8) A pledge or hypothecation of stock shall not be deemed a sale, but no transfer of stock pledged or hypothecated shall be made by this corporation on its books unless and until a foreclosure thereof, and then such transfer shall be subject to the foregoing provisions.

The foregoing provisions shall not be applicable to transfer by a holder to the trustee of a revocable intervivos trust as to which the holder is settlor and sole beneficiary during his lifetime, nor to any transfer by the trustee of such trust occasioned by the death of such holder, nor to any transfer on the death of the holder by will or intestate succession; provided, however, that any transfer by any transferee who shall acquire stock pursuant to any such exempt transfer shall be subject to said foregoing provisions. Except as to any transferee who shall acquire stock pursuant to any such exempt transfer, this corporation shall have the right to refuse to any person who shall acquire any stock otherwise than by issue or sale by this corporation or by transfer under the foregoing provisions the right to a vote or the right to enjoy any privilege of a stockholder, and shall have the right to refuse to declare or pay any dividend on any stock so transferred.

The foregoing provisions of Article Sixth (b) hereof may be waived by the unanimous vote of the stockholders.
