Dear Registered Agent:

The 1994 Annual Report for the company listed on the enclosed revocation notice is still incomplete. The Annual Reports for business corporations (form #31) were redesigned in 1994, however this corporation completed the report on the old form. To avoid delays in filing, our office sent you an explanation letter and a supplement which included the additional information required. To date, the supplement has not been submitted. The enclosed notice puts the corporation on notice that it will be revoked within sixty (60) days if the supplement is not completed and returned to the Corporations Division.

To expedite the process of filing, payment of the report filing fee was accepted and deposited. Therefore, no additional fee is required at this time. Simply complete the enclosed supplement and return it to the Corporations Division. If you fail to comply within the sixty (60) day notice period, your charter will be revoked and at that time, your incomplete report will be forwarded to you together with instructions on how to obtain a refund.
