11. The following provisions require a narrative description:

a. The ways in which the benefit corporation pursued general public benefit during the year and the extent to which general public benefit was created.

Each year, the benefit corporation pursues general public benefit by providing legal services on a no fee and/or reduced fee basis ("legal services") to certain Rhode Island based social enterprises that generate a general public benefit.

b. The ways in which the benefit corporation pursued a specific public benefit that the Articles of Incorporation state is the purpose of the benefit corporation and the extent to which that specific public benefit was created:

Not applicable.

c. Any circumstances that have hindered the creation by the benefit corporation of general public benefit or specific public benefit.

None.

d. The process and rationale for selecting or changing the third-party standard used to prepare the benefit report:

The benefit corporation used the B Certified Corporation ("B-Corp") free-online assessment tool located at [www.bcorporation.net/certification](http://www.bcorporation.net/certification) ("Assessment"), which is widely regarded as the "best in breed" in this category

e. Provide an assessment of the overall social and environmental performance of the benefit corporation against a third-party standard, either applied consistently with any application of that standard in prior benefit reports or accompanied by an explanation of the reasons for any inconsistent application or the change to that standard from the one used in the immediately prior report:

The results from the 2020 Assessment, done internally on a pro forma, unaudited and uncertified basis yielded an aggregate score of 126 out of 200, with 80 or higher being the score required by B-Corp to qualify as a "Certified B Corp".

f. Name and address of the Benefit Director: *(Required if stock is publicly traded.)*

Not applicable.

g. Name and address of the Benefit Officer: *(If not applicable, state "NONE.")*

None.

h. The statement of the benefit director described in subsection [7-5.3-8\(c\)](#)

Not applicable.

i. A statement of any connection between the organization that established the third-party standard, or its directors, officers or any holder of 5% or more of the governance interests in the organization and the benefit corporation or its directors, officers or any holder of 5% or more of the outstanding shares of the benefit corporation. The statement should include any financial or governance relationship which might materially affect the credibility of the use of the third-party standard:

There is no such connection.

j. If the benefit corporation has dispensed with, or restricted the discretion or powers of the board of directors, indicate the persons that exercise the powers, duties, and rights and who has the immunities of the board of directors. Name(s) and address of the person(s) that exercise the powers, duties and rights of a benefit director:

Not applicable.

k. If during the year covered by this benefit report, a benefit director resigned from or refused to stand for reelection to the position of benefit director, or was removed from the position, and the benefit director furnished the benefit corporation with any written correspondence concerning the circumstances surrounding the resignation, refusal, or removal, the benefit report shall include that correspondence as an exhibit.

12. This report must be executed on behalf of the corporation by an authorized representative. If the corporation is in the hands of a receiver or trustee, this report must be executed on behalf of the corporation by the receiver or trustee.
