To whom it may concern,

I am writing to inform you that I am currently listed as an officer (Secretary) of the corporation named Midnight Fuel oil Inc. 336 Hope Furnace Road, Hope RI ID# 001680635. See below.

I have not been an officer of this corporation since March 2023, but was never removed by the corporation's owner at the office of Department of State of RI.

Since they haven't done this, I ask that you remove my name from all documentation associated with this corporation as of the date stated above. Note that I also notified Midnight Fuel by mail.

I also asked that they remove my professional license number from all documentation and vehicles associated with that corporation. They have not been authorized to use it for any reason associated with this business since March 2023. I am not sure this has been done. I will contact the department of labor and training to make them aware also.
