**RE: CLOUD SOFTWARE GROUP, INC. (the "Company")**

Dear Mr. Amore,

As Chief Legal Officer, Chief Administrative Officer, and Secretary of Cloud Software Group, Inc. (formerly TIBCO Software Inc.), I am writing to request an amendment to the Company's stock information on file with the Rhode Island Secretary of State ("SOS").

The current SOS records indicate that the Company is authorized to issue 75,000,000 shares of preferred stock and 1,200,000,000 shares of common stock. However, this information is no longer accurate. Following a series of mergers and a recent name change (filed with the SOS on April 14, 2023), the Company is now authorized to issue 1,000 shares of common stock, all of which are currently issued to the Company's direct parent company.

To support these changes, please find enclosed copies of the certificates of merger and the certificate of name change as filed with the Delaware Secretary of State.

Thank you for your time and assistance with this matter.

Sincerely,

Antonio Gomes
