Subject: [EXTERNAL]: My Address is Being Used Improperly by a Business Operating in Rhode Island

Dear Secretary Amore,

My name is Ronald Davis, and I am a Rhode Island resident, residing at 1 Penrod Ave, Riverside, RI 02915. I have been receiving mail posted to my address for a business named Carrington Mortgage Services, however, the mail is addressed to either Matthew Escaler, Marie Presti, or John White and not myself. Curious why this is, I looked up Carrington Mortgage Services in the RI Business Portal and saw that each of these persons are listed as a resident agent of that company and each has my address listed as their RI address. Each of the entity summary ID numbers listed below has my address shown for the respective agent named, but none of these people reside at my address. Some of the correspondence has been from East Providence for taxes due and from the City of Providence Department of Inspections and Standards. None of these people have my permission to use my address, and I would certainly appreciate if my address can be removed from these business summaries in the RI Business Portal so I can stop receiving their mail. Is there anything that you can do to remedy this situation?
