## **COLLATERAL**

As collateral securing all present and future obligations of Debtor to Secured Party, Debtor hereby grants to Secured Party a security interest in the following, whether now owned or hereafter acquired and wherever located machinery, equipment, furniture, fixtures, inventories (raw materials, work-in-progress, finished goods and supplies), titled motor vehicles, leases, finished goods and supplies, contract rights, claims, causes of action, accounts receivable, any and all tangible and intangible assets and other real and/or personal property owned by Debtor and all cash and non-cash proceeds and products therefrom, none of which the debtor is authorized to sell, lease or otherwise dispose of without the written consent of secured party. This financing statement does not invalidate or reduce the effectiveness of any previously filed UCC financing statements having the same Secured Party and Debtor(s). Notice - Debtor has also agreed not to further encumber the collateral described herein, the further encumbering of which may constitute the tortious interference with secured party's rights by such encumbrancer.
