(ALL SOFTWARE SALES ARE FINAL)

CNC Installation/Training - 2days, For new machine sales.  
CSA Prep, Inspection and Certification Available at \$1795  
Certain regions require CSA Certification.

It is the buyer's responsibility to determine whether CSA is  
required in their area or for their installation.

Important Message - CNC, Plasma, Laser and other large  
industrial machinery ships via flatbed air-ride trailers. The  
receiver (customer) is required to have a forklift with 72 inch  
forks or schedule a rigging company to offload their machine  
upon arrival.

To Be Wired For Single Phase Power

TAX WILL BE ADDED AT POINT OF SALE based on your  
city, county and state.

PLEASE PROVIDE TAX EXEMPT FORM IF APPLICABLE

Some jurisdictions may offer manufacturing tax exemptions.
